Chairperson, Marie Beiser called the meeting of the Lawrenceville Downtown Architectural Review Board to order at 6:00 p.m. Chairperson Marie Beiser declared a quorum with all members present.

The previous meetings minutes we approved.

Mary Thompson made a motion to approve the agenda. The motion was seconded by David Jones. The motion passed unanimously

The only item of new business was a request for review for AR-07-001 Sparks Grizzard for Tabernacle Baptist Church at the property located at 138 Neal Blvd. Mr. Chris Smiley presented the request. There was much discussion concerning façade materials, street tree plantings and handicap access. Mr. David Jones to approve plans as shown with stipulations, the north and west facades both existing and new shall be of hardiplank, the entire building shall be painted to match, the roof shall have new shingles and that five street trees shall be planted, however they maybe of a lesser size due to the proximity of the over-head electrical wires. Seconded by Dot Yount. The motion passed unanimously.
