Mr. Merrill asked for a report from the Planning Department. Mr. Ferguson gave the report. Mr. Ferguson stated that the existing building which was built in 1996 was intended for use as an Automotive Service facility with bays facing the street. Mr. Ferguson recommended that the Planning Commission recommend denial of the Special Use Application for Automotive Sales but recommend approval of the Special Use Application for Automotive Service with seven (7) conditions.

Mr. Merrill asked if the applicant was present. Mr. Ktegegne gave the presentation and explained that he bought the facility with the intent to open an Automotive Sales and Service facility. When Mr. Ktegegne purchased the property the use was allowed as a legal non-conforming use but since the operations were vacant for more than six months, a Special Use was required.

Mr. Merrill asked if there was any opposition to the Special Use Permit Application. There was none. Mr. Merrill then asked for a motion from the Commission. Mr. Moore made a motion to recommend approval of the Special Use Permit Application for Automotive Service with the seven (7) conditions suggested by the Planning Department but recommend denial of the Special Use Permit Application for Automotive Sales. Mr. Merrill asked if there was any discussion. Mr. Roche stated that because the ordinance requires that the bays should not face the street, he would like to see the applicant work towards removing them. Mr. Roche made a motion to amend Mr. Moore's motion to include a condition that one (1) bay door per year be closed by brick until none of the bay doors face

the street. The amendment failed due to the lack of a second. Mr. Merrill then called for a vote of the motion. The motion carried. 4-0
