

**CITY OF LAWRENCEVILLE
MAYOR AND COUNCIL MEETING
MARCH 5, 2007 7:00 P.M.**

Consent Agenda

1. *Approval* of revisions to Zoning Resolution No. RZ-06-07. Pages 3 and 4 of the Resolution failed to correctly reference the two parcels zoned to O & I. Page 6 of the Resolution also had a typographical error where the correct landscape requirement is referenced numerically but the word reference was not edited. Additionally, Exhibit "A" is attached to clarify the correct version approved by the Council at the September 11 meeting. Consent is hereby given to substitute pages 3, 4 and 6 and add Exhibit "A" as attached with the original resolution. See pages 3, 4, 6, and Exhibit "A" attached as Exhibit "A."
2. *Approval* of renewal of insurance coverage with Insurance Office of America. The Travelers Insurance Company has offered an 8% rate reduction on the City's premium.
3. *Approval* of request of Terry Farmer to surplus three (3) vehicles from the Gas Department. The vehicles will be surplused to be sold according to City requirements. See schedule of surplus property, attached as Exhibit "B."
4. *Approval* of two (2) additional job positions for certified officers for the Quality of Life Unit. See memorandum from Chief Randy Johnson, attached hereto as Exhibit "C."
5. *Approval* of the request of Chief Randy Johnson to purchase six (6) replacement patrol vehicles, six (6) sets of blue lights and equipment, and six (6) digital in-car video systems for use in the police department using funds from the capital outlay budget. The vehicles, equipment and cameras to be acquired would cost approximately \$183,600.00. Additionally, the nine (9) Ford Crown Victorias currently in use are hereby surplused to be sold according to City requirements. See memorandum from Chief Johnson, attached as Exhibit "D."
4. *Approval* of the authorization of Mayor Millsaps to enter into an agreement with Integrated Science & Engineering, Inc. for engineering and consulting services to develop a stormwater management utility for use by the City. See Professional Services Agreement between the City of Lawrenceville & Integrated Science & Engineering, Inc., attached as Exhibit "E."
5. *Approval* of job position within Meter Department for Lineman / Meter Technician. Base salary shall be for Pay Grade 26. See Job Description, attached as Exhibit "F."
6. *Approval* of additional job position within Garage Department for Mechanic Trainee. Base salary shall be for Pay Grade 18. See Employee Request and Job Description attached as Exhibit "G."
7. *Approval* of request of Jim Steadman to surplus a 1997 Ford Flatbed Truck from the Water Department. This vehicle will be surplused to be sold according to City requirements. Additional approval of request of Jim Steadman to purchase 2007 ¾ ton heavy-duty regular cab with a service body for use in the Water Department. The cost of purchasing this vehicle has already been approved in the 2007 budget. See memorandum from Jim Steadman, attached as Exhibit "H."
