33-101 Definitions

For the purpose of this Chapter, the following words shall have the meanings respectively ascribed below:

- a. Nuisance. Anything which causes hurt, inconvenience, or damage to another, provided that the hurt, inconvenience or damage complained of shall not be fanciful or such as would affect only one of fastidious taste, but rather such as would affect an ordinary reasonable man; and the fact that the act done may otherwise be lawful shall not keep it from being a nuisance.

- b. Nuisance, per se. An act, occupation, or structure which is a nuisance at all times and under any circumstances, regardless of location or surroundings.

- c. Private Nuisance. A nuisance limited in its injurious effects to one of a few individuals.

- d. Public Nuisance. A nuisance which damages all persons who come within the sphere of its operation, though it may vary in its effects on individuals.

33-102 Proceedings to Abate Generally

Any nuisance existing within the corporate limits of this City, except for a nuisance hereinafter expected, shall be abated in the manner set forth in this chapter.

- 1. Initiation. Proceedings to abate a nuisance, whether public or private shall be initiated by the filing of a complaint with the City Clerk, which such complaint shall state the nature and location of the nuisance and the name and address of the complainant or complainants. In the case of a private nuisance, the complaint shall be filed by the person or persons injured by the nuisance; in the case of a public nuisance, the complaint shall be filed on behalf of the public by a City Official or by a citizen specially injured by the nuisance.

2. Notice of Hearing. Upon the filing of a complaint as hereinabove provided, the City Clerk shall issue a notice directed to the owner of the premises upon which the nuisance complained of is located and, if the person maintaining the same be a different person from the owner, than also to the person maintaining the nuisance, calling on such person to show cause, either personally or by attorney, at the time and place directed by the City Clerk, why such activity alleged to be a nuisance should not be ordered abated and removed by the Mayor and City Council. Such notice shall be served at least two days prior to the date set for the hearing by any police officer of the City, and shall be made either personally or by leaving a copy at the party's most notorious place of abode.

A copy of such notice shall also be mailed to the complainant or complainants.

3. Order of Abatement. If after hearing all the evidence, the Mayor and Council should decide that the activity complained of is a nuisance, the Mayor shall issue an order directed to the Police Chief or any member of the Police force, commanding that the nuisance be abated. A copy of such order of abatement shall be served on the party or parties maintaining the nuisance.

4. Effect of Noncompliance. In the event of a refusal to comply with the order of abatement issued by the Mayor, the person or persons maintaining the nuisance shall be subject to arrest for violation of state law.

33-103 Summary Abatement

Nothing contained in the foregoing section shall prevent the Mayor and City Council from summarily and without notice ordering the abatement of or abating any nuisance per se in the law or where the case is an urgent one and the health and safety of the public or a portion thereof is in imminent danger.
