

CERTIFIED BACKFLOW PREVENTION ASSEMBLY TESTERS LIST

The following individuals, after successful completion of special training, have requested and have been authorized to test Backflow-Prevention Devices in the City of Lawrenceville. **Note:** The City of Lawrenceville Water Department does not attest to the capabilities of the above listed individuals. The State of Georgia requires that any repairs made to a backflow prevention assembly must be performed by a licensed plumber. **This list is provided as a public service and is not an endorsement of any individual.** (revised 07-27-09)

All backflow prevention assemblies must be tested by a certified tester: (a) upon installation, (b) after any repairs are made to the assembly and (c) annually thereafter. Any questions should be directed to Robert Paul at 678-442-9256.

**Completed test results should be sent to:
City of Lawrenceville
Water Department/Backflow Program
70 South Clayton Street
Lawrenceville, GA 30046**
